BETHANY ANGEL TREE 2025

Meals on Wheels

Meals on Wheels provides one meal daily to elderly or disabled persons who may have food instability along with other needs. These citizens usually still live in their homes, many of them alone, and some have no one to make their Christmas special. In participating in our Angel Tree effort, we help provide these beautiful people who are often overlooked, with some simple Christmas cheer!!!

So - How do I participate in this Angel Tree?

Donations:

- **If you would rather give a general monetary donation, and let us do the shopping, this is for you!**
- **Donations will be used to purchase items on unclaimed gift tags from the tree. Any extra that we have will be used to purchase gift cards for groceries.**
- **A donation of ANY Amount is greatly appreciated, no minimum, every dollar counts! 100% of donations will be used towards this effort.**
- **Donations can be put in the offering plate, taken to the office, or mailed to the church office and marked on the "for" line as Angel Tree!**
- **Please turn in monetary donations ON or PRIOR to Wednesday, December 17th, so that shopping can be done.**

Purchase a gift based on the item/s on the tag you choose.

- **Choose Angels from the tree for items you would like to purchase.**
- **Purchase the item written on the Angel. For clothing – gift receipts are great if possible.**
- **Wrap the gift and ATTACH to the gift the Angel you chose so that we know which item the gift contains. Each Angel has a sorting code that helps us be sure that items get to whom they were intended for.**
- **Return the gift to the EVIE C MARSHALL CLASSROOM and place in the designated area NO LATER THAN NOON on SUNDAY, DECEMBER 21st .**
- **A wrap & sort event will happen at a designated time. Once coordinated, the time will be announced.**

Please note - Participation in the giving of a gift for our adopted friends is completely optional based on your desire and or ability to do so. Any help will be deeply appreciated, but please, do as you feel led and are able to do!!
